

Salmon Recovery Workshops: Endangered Species Act Tools and Local Roles
National Marine Fisheries Service

WORKSHOP EVALUATION FORM

Please take a few moments to respond to the following questions about the NMFS Salmon Recovery/4(d) Rule Workshop. Your answers will help NMFS to know what worked and what could be improved about the workshop you attended today.

Please give an overall evaluation of the workshop on a scale of 1 to 5:

Usefulness of the workshop in understanding salmon habitat needs:

Poor _____ Excellent
1 2 3 4 5

Usefulness of the workshop in helping you understand ESA/4(d) rule options to conserve salmon:

Poor _____ Excellent
1 2 3 4 5

Other comments about the overall meeting (Please use back page if needed):

Were the topics of the workshop a high priority for you? Yes ____ No ____

If answered “yes”, please share what information, insights or approaches were helpful.

If future workshops are scheduled, what other topics would you like to discuss at these forums?

How could this workshop been improved?_____
